## Consent to Enter Property and Release from Liability

I, the undersigned owner of the property located at the below-mentioned address, hereby consent to entry onto my property by the Portage la Prairie Community Revitalization Corporation (PCRC) and its designees for the purposes of graffiti removal as part of their Graffiti Removal Program.

- I understand that the method applied to remove graffiti on my property is at the sole discretion of the PCRC and its designees and primarily will be painting over the affected area.
- If paint is used, I understand that although efforts will be made to match the paint colors to the existing color of my property, there may be differences between the painted area and original colors. I understand that if I want a closer match I must supply the paint.
- I am aware that only the areas affected by graffiti will be painted over or cleaned (in blocks or strips).
- I understand that in some cases there may be graffiti residue that cannot be effectively removed.
- I consent that a sign identifying the Graffiti Removal Program will be posted on my property during the removal process.

I hereby release the PCRC and all of its agents and employees from any property damage or personal injury, and any resulting obligations, claims, or demands indirectly or directly related to said damage or injury resulting from the entry onto my property or the graffiti removal process itself.

This consent will continue indefinitely until the graffiti has been removed on said property, unless otherwise revoked by the undersigned by sending written notice to the PCRC.
